## **Project Description/Justification:**

Prior to FY2017, tourism marketing activities were provided through an annual operating appropriation to the Department of Commerce, Community, and Economic Development. Tourism development and marketing services are now provided through capital grants to the Alaska Travel Industry Association (ATIA).

This multi-year capital appropriation provides for an expansion of tourism marketing activities in national and international markets. ATIA will continue the creation and distribution of the Alaska Vacation Planner, managing the TravelAlaska website, and collecting and analyzing visitor statistics. The funding may be used for marketing contracts, managing sales, booth rentals at domestic and international travel fairs, television advertisement, media hosting, and other activities to market Alaska as a destination.
